**TABULATORS**

Each precinct will consist of two tabulators.

**HOW TO VOTE**

After the ballot is marked, the voter feeds paper ballot into the tabulator which reads and tabulates the ballot. Below is an example of how to correctly mark the ballot.

Precinct/Vote By Mail Ballot Marking Example:

**ACCESSIBLE VOTING**

Easy As One, Two, Three

- Voter inserts paper ballot into the tabulating system.
- Voter makes selection using tabulator accessories.
- Voter casts the ballot.

**CLOSED PRIMARY**

- Florida is a closed primary state.
- In the Primary Election, you will be able to vote only for the candidates whose party affiliation is the same as yours and for non-partisan races. Non-partisan voters vote on issues and non-partisan candidates.
- If a partisan race will be decided in the primary, everyone will vote in that race. This is known as a “Universal Primary Contest.”

**CHANGES IN YOUR REGISTRATION**

- It is the responsibility of the voter to keep his or her address current with the Supervisor of Elections Office. If you move to another state, you must register with that state.
- Be sure to notify the Supervisor of Elections Office of name change, an address change, or if you would like to change your party affiliation.
- It is critical to keep your signature updated. If your current signature does not match the signature on file, your vote by mail ballot(s) and/or petition(s) will be rejected.
