

DISTRICT NO. 1 shall comprise all of the territory in the City of Key West, Florida within the following boundaries:

Commencing on the centerline of Whitehead Street at its intersection of the waters of the Atlantic Ocean, project Northerly along the centerline of Whitehead Street to the centerline of Louisa Street; thence at right angles, projected in a Westerly direction along the centerline of Louisa Street to the centerline of Thomas Street; thence at a right angle projected in a Northerly direction along the centerline of Thomas Street to the centerline of Amelia Street; thence at a right angle projected in a Westerly direction along the centerline of Amelia Street to the centerline of Fort Street; thence at a right angle projected in a Northerly direction along the centerline of Fort Street to point at the exit way of a parking lot lying West of Fort St, then at said point and at a right angle Westerly a distance of 75'; thence at a right angle projected in an Northerly direction along the parcel line along Dekalb St. Thence in a Westerly direction and along the property line of Truman Annex to Evans St in the area of the Base Gate. At said point continue in a Northerly direction to Butler Blvd; thence at a right angle; projected in North Easterly direction along Butler Blvd to Southard St; thence at a right angle projected in an Easterly direction along the centerline of Southard Street to the centerline of Frances Street; thence at a right angle projected in a Southerly direction along the centerline of Frances Street to the centerline of Angela Street; thence at a right angle projected in an Westerly direction along the centerline of Angela Street to Margaret Street, thence at a right angle South to Windsor Lane and continuing Southward to Olivia Street, thence at a right angle in an Easterly direction to the centerline of Watson Street; thence at a right angle projected in a Southerly direction along the center line of Watson Street to the centerline of Catherine Street; thence at a right angle projected in an Easterly direction along the centerline of Catherine Street to the intersection of George Street; thence at a right angle in Northerly direction to the intersection with N Roosevelt Blvd, then in an Easterly direction along the centerline of N Roosevelt Blvd to the intersection of Palm Avenue. Thence Northerly along the centerline of Palm Avenue to the West side of Garrison Bight Bridge; thence North & Westerly following the shoreline of the western side of Garrison to the East end of Trumbo Point; thence following the shoreline and in a Northerly and then Westerly direction along the North side of Trumbo; thence at right angles and in a Northerly direction at Mustin Street, then meandering the shoreline of all Fleming Key; and returning to a point at the intersection of Mustin Street at Fleming Key bridge and at a right angle Southerly to the North shore line of Trumbo Point; thence meander the shoreline of said Trumbo Point in a Westerly, Southerly, then Easterly direction and following the shoreline to West of Trumbo Road Southerly; thence meander the Key West Bight waters along a line being the far end of the existing docks and approximately 100 feet waterward of the shoreline to the intersection with Mallory Square; thence meander the waters of

Key West Bight and the Atlantic Ocean to the South end of Whitehead Street.

Also Sunset Key.

DISTRICT NO. 2 shall comprise all of the territory in the City of Key West, Florida, within the following boundaries:

Begin at the intersection of the Westerly line of the Overseas Market Shopping Center and the centerline to the centerline of North Roosevelt Boulevard; thence at an Easterly direction along the centerline of North Roosevelt and to the centerline of Kennedy Drive; thence at a right angle and in a Southerly direction along the centerline of Kennedy Drive to the centerline of Flagler Avenue; thence at a right angle and in an Easterly direction along the centerline of Flagler Avenue to the centerline of 14th Street; thence at a right angle and in a Northerly direction along the centerline of 14th Street to the centerline of Duck Avenue; thence at a right angle and in an Easterly direction along the centerline of Duck Avenue to the centerline of 16th Street; thence at a right angle and in a Northerly direction along the centerline of McCarthy Lane and the Northerly extension of McCarthy Lane to the centerline of Donald Avenue; thence at a right angle and in an Easterly direction along the centerline of Donald Avenue to the centerline of 16th Terrace; thence in a Northerly direction along the centerline of 16th Terrace and at a right angle and in an Easterly direction along the centerline of 16th Terrace to the centerline of 17th Street; thence at a right angle and in a Northerly direction to the centerline of North Roosevelt Blvd.; thence at a right angle and in a Westerly direction along the centerline of North Roosevelt Blvd to the Eastern side of the intersection of North Roosevelt Blvd & Kennedy Drive and then Northerly meandering the shoreline of the waters of the Bay of Florida; thence in an Easterly, Northerly, Westerly, Southerly and Westerly direction and following the waters of the Bay of Florida (including all of the Dredgers Key a/k/a Sigsbee Park) to the Easterly line of Salt Run Channel; thence in a Southerly direction along the Easterly line of Salt Run Channel to the Point of Beginning.

AND ALSO

Beginning at the intersection of the Westerly line of Overseas Market Shopping Center and the centerline of North Roosevelt Blvd.; thence in a Southerly direction along the Westerly line of Overseas Market Shopping Center to approximately the Southerly line of Overseas Market Shopping Center; thence continue in a Southerly direction for approximately 100 feet; thence at a right angle and in a Westerly direction for approximately 210 feet; thence at a right angle and in a Northerly direction for approximately 100 feet; thence at a right angle and in a Westerly direction for approximately 100 feet to the Easterly line of Salt Run Channel; thence at a right angle and in a Southerly direction along the Easterly line of Salt Run Channel for approximately 200 feet; thence at a right angle and in an Easterly direction for approximately 500 feet to a point being the centerline of 10th Street; thence at a right angle and in a Southerly direction to the centerline of Fogarty Avenue; thence continuing to a point in a Southerly direction 100 feet, thence at a right angle and in a Westerly direction

to the center of Salt Run Channel; thence at a right angle and in a Northerly direction along the Westerly line of Salt Run Channel to the centerline of North Roosevelt Blvd and the Westerly line of Salt Run Channel; thence in an Easterly direction along the centerline of North Roosevelt Boulevard; thence in a Westerly direction along the centerline of North Roosevelt Blvd to the intersection of Palm Avenue & North Roosevelt Blvd; thence North Westerly along the centerline of Palm Avenue to the West side of Garrison Bight Bridge; thence North & Westerly following the shoreline of the western side of Garrison to the East end of Trumbo Point; Continuing Easterly to the shoreline of the Hilton Haven Neighborhood and meandering North, and Easterly along the waters of the Bay of Florida; thence generally in an Easterly direction to the Westerly line of Salt Run Channel; thence in a Southerly direction along the Westerly line of Salt Run Channel to the centerline of North Roosevelt Blvd; thence East 140 feet to the Point of Beginning.

DISTRICT NO. 3 shall comprise all of the territory in the City of Key West, Florida, within the following boundaries:

COMMENCE at the centerline of Eagle Avenue and the centerline of 17th Street; thence in an Easterly direction along the centerline of Eagle Avenue to the centerline of 19th Street; thence at a right angle and in a Southerly direction along the centerline of 19th Street to the centerline of Flagler Avenue; thence at a right angle and in an Easterly direction along the centerline of Flagler Avenue to the centerline of South Roosevelt Blvd.; thence at a right angle and in a Southerly direction along the centerline of South Roosevelt Blvd. for 1520 feet being the entrance to the DoubleTree Resort; thence at a right angle and in a Westerly direction 500 feet; thence in a Southerly direction to the intersection of Seaside Drive; thence at a right angle in an Westerly direction 500 feet along the centerline of Seaside Drive thence in a Northwesterly, then Westerly direction for approximately 600 feet to the Easterly line of parcel number 00065120-000000; thence in a Southerly direction to a strip of land being the Easterly extension of Airport Blvd if extended; thence in an Westerly direction along and to the West end of Airport Blvd; thence South 1900 feet to the centerline of South Roosevelt Blvd, at said centerline and at a right angle in a Westerly direction along the centerline of South Roosevelt Blvd to the intersection of S Roosevelt Blvd & Bertha Street, at said point thence in in a Southerly direction to the shoreline and meandering Easterly and Northerly along the South and East shoreline of the island to a point on the North side Riviera Canal bridge; thence at a right angle and in an Easterly direction to the waters of the Atlantic Ocean; thence along the waters of the Atlantic Ocean, Cow Key Channel and the Bay of Florida in a Northerly and Westerly direction to the centerline of 17th Street; thence at a right angle and in a Southerly direction along the centerline of 17th Street to the centerline of 16th Terrace; thence at a right angle and in a Westerly direction along the centerline of 16th Terrace to the centerline of 16th Terrace; thence at a right angle and in a Southerly direction along the centerline of 16th Terrace to the centerline of Donald Avenue; thence at a right angle and in a Westerly direction along the centerline of Donald Avenue to the Northerly projection of the centerline of McCarthy Lane; thence at a right angle and in a Southerly direction along the centerline of McCarthy Lane to the centerline of Duck Avenue; thence at a right angle along the centerline of Duck Ave to the centerline of 17th Street; thence at a right angle South to the POINT OF BEGINNING.

ALSO, all of Stock Island lying Northerly of US 1.

DISTRICT NO. 4 shall comprise all of the territory in the City of Key West, Florida, within the following boundaries:

COMMENCING at the centerline of Bertha Street and the waters of the Atlantic Ocean; thence in a Northerly direction along the centerline of Bertha Street to the centerline of Atlantic Blvd; thence at a right angle and in an Westerly direction along the centerline of Atlantic Blvd to the centerline of Ashby Street; thence at a right angle and Northerly to the centerline of Flagler Avenue; thence Easterly at a right angle to the centerline of 1st Street; thence at a right angle and in a Northerly direction along the centerline of 1st Street to the centerline of Staples Avenue; thence at a right angle and in an Easterly direction and along the centerline of Staples Avenue to the centerline of 6th Street; thence at a right angle and in a Northerly direction along the centerline of 6th Street to the centerline of Seidenberg Avenue; thence at right angles and in an Easterly direction along the centerline of Seidenberg Avenue to the centerline of 8th Street; thence at a right angle and in a Northerly direction along the centerline of 8th Street to the centerline of Patterson Avenue; thence at a right angle in an Easterly direction along the centerline of Patterson Ave to the centerline of 7th Street; thence at a right angle Northerly to the centerline of N Roosevelt Blvd; thence at a right angle and in an Easterly direction along the centerline of N Roosevelt Blvd a distance of 1000 feet to near the Westerly line of Salt Run Channel (Riviera Canal); thence at a right angle and in a Southerly direction along the Westerly line of Salt Run Channel (Riviera Canal) to a point 100 feet South of the centerline of Fogarty Avenue; thence at a right angle and in an Easterly direction to the centerline of 10th Street; thence at a right angle northerly along 10th Street to a distance of 500 feet; thence Westerly to the Eastern side of Salt Run Channel; thence Northerly 200 feet; thence Easterly 100 feet; thence Southerly 100 feet; thence Easterly a distance of 200 feet being near the Southwest corner of Overseas Market; thence at a right angle and in a Northerly direction along the Easterly line of Salt Run Channel (Riviera Canal); thence at a right angle and in a Northerly direction to the centerline of North Roosevelt Blvd; thence in an Easterly direction along the centerline of North Roosevelt Blvd. to the centerline of Kennedy Drive; thence at a right angle and in a Southerly direction along the centerline of Kennedy Drive to the centerline of Flagler Avenue; thence at a right angle and in an Easterly direction along the centerline of Flagler Avenue to the centerline of 14th Street; thence at a right angle and in a Northerly direction along the centerline of 14th Street to the centerline of Duck Avenue; thence at a right angle and in an Easterly direction along the centerline of Duck Avenue to the centerline of 17th Street; thence at a right angle and in a Northerly direction along the centerline of 17th Street to the centerline of Eagle Avenue; thence at a right angle and in an Easterly direction along the centerline of Eagle Avenue to the centerline of 19th Street; thence at a right angle and in a Southerly direction along the centerline of 19th Street to the centerline of Flagler Avenue; thence at a right angle and in an Easterly direction

along the centerline of Flagler Avenue to the centerline of South Roosevelt Blvd.; thence at a right angle and in a Southerly direction along the centerline of South Roosevelt Blvd; thence at a right angle and in a Southerly direction along the centerline of South Roosevelt Blvd. for 1520 feet being the entrance to the DoubleTree Resort; thence at a right angle and in a Westerly direction 500 feet; thence in a Southerly direction to the intersection of Seaside Drive; thence at a right angle in an Westerly direction 500 feet along the centerline of Seaside Drive thence in a Northwesterly, then Westerly direction for approximately 600 feet to the Easterly line of parcel number 00065120-000000; thence in a Southerly direction to a strip of land being the Easterly extension of Airport Blvd if extended; thence in an Westerly direction along and to the West end of Airport Blvd; thence South 1900 feet to the centerline of South Roosevelt Blvd, at said centerline and at a right angle in a Westerly direction along the centerline of South Roosevelt Blvd to the centerline of Bertha Street being the point of Beginning.

DISTRICT NO 5. Shall comprise all of the territory in the City of Key West, Florida in the following boundaries:

Commencing on the centerline of Vernon Avenue at its intersection with the waters of the Atlantic Ocean projecting Northerly along the centerline of Vernon Avenue to the centerline of Washington Street; thence at a right angle in an Easterly direction along the centerline of Washington Street to the centerline of Whalton Street; thence at a right angle projected in a Northerly direction along the centerline of Whalton Street to the centerline of Seminary Street; thence from the intersection of Seminary St and Whalton Street in a straight line to the centerline of Watson Street at United Street; thence Northerly direction along the centerline of Watson Street to the centerline of Catherine Street; thence at a right angle projected in an Easterly direction along the centerline of Catherine Street to the centerline of George Street; thence at a right angle projected in a Northerly direction along the centerline of George Street to the centerline of North Roosevelt Blvd; thence at a right angle projected in an Easterly direction along the centerline of North Roosevelt Blvd to the centerline of 7th Street; thence at a right angle projected in a Southerly direction along the centerline of 7th Street to the centerline of Patterson Avenue; thence at a right angle projected in an Easterly direction along the centerline of Patterson Avenue to the centerline of 8th Street; thence at a right angle and in an Southerly direction along the centerline of 8th Street to the centerline of Seidenberg Ave; thence at a right angle and in a Westerly direction along the centerline of Seidenberg Avenue to the centerline of 6th Street; thence at a right angle and in a Southerly direction along the centerline 6th Street to the centerline of Staples Avenue; thence at a right angle and in a Westerly direction along the centerline of Staples Avenue to the centerline of 1st Street; thence at a right angle in a Southerly direction along the centerline of 1st Street to the centerline of Flagler Avenue; thence in a Westerly direction along the centerline of Flagler Avenue to the centerline of Ashby Street; thence at a right angle and in a Southerly direction along the centerline of Ashby Street to the centerline of Atlantic Blvd; thence at a right angle and Easterly along the centerline Atlantic Blvd to the centerline of Bertha Street; thence in a Southerly direction and at a right angle along the centerline of Bertha Street to the Atlantic shoreline; thence in a Westerly direction along the waters of the Atlantic Ocean to the centerline of Vernon Avenue and the Point of Beginning.

DISTRICT NO 6. Shall comprise all of the territory in the City of Key West, Florida within the following boundaries.

Commencing on the Center line of Vernon Avenue at its intersection with the waters of the Atlantic Ocean, projecting Northerly along the centerline of Vernon Avenue to the centerline of Washington Street; thence at a right angle in an Easterly direction along the centerline of Washington Street to the centerline of Whalton Street; thence at a right angle projected in a Northerly direction along the centerline of Whalton Street to the centerline of Seminary Street; thence from the intersection of Seminary and Whalton Streets in a straight line to the centerline of Watson Street at United Street; thence Northerly along Watson Street to the centerline of Truman Avenue; thence with a slight jog continue Northerly along Watson Street to the centerline of Olivia Street; thence at a right angle West to the centerline of Windsor Lane; thence Northerly along Windsor Lane & Passover Lane to Margaret Street; thence Easterly along the centerline of Angela Street to the centerline of Frances Street; thence at a right angle projected in a Northerly direction along the centerline of Frances Street to the centerline of Southard Street; thence at a right angle projected Westerly along the centerline of Southard Street to the centerline of Butler Blvd; thence at a right angle projected Southerly along the centerline Butler Blvd to the centerline of Evans Street; thence at a right angle projected Southerly to the Navy Base gate and following the Navy fence Southerly to the centerline of Fort Street; thence at a right angle and in a Southerly direction along the centerline of Fort Street to the centerline of Amelia Street; thence at a right angle projected Easterly along the centerline of Amelia Street to the centerline of Thomas Street; thence at a right angle projected Southerly along the centerline of Thomas Street to the centerline of Louisa Street; thence at a right angle projected Easterly along the centerline of Louisa Street to the centerline of Whitehead Street; thence at a right angle projected Southerly along the centerline of Whitehead Street to the water of the Atlantic Ocean; thence Easterly along the waters of the Atlantic Ocean to the centerline of Vernon Avenue and the Point of Beginning.
